SIPO releases Five Year Plan for patent examination

中国国家知识产权局发布《专利审查工作"十二五"规划》,明确提出"十二五"期末

专利审查综合能力达到世界先进水平

IPO recently released the 12th Five Year Plan for patent examination (2011-2015). The plan reviews challenges and opportunities for China's patent examination and clearly lays out strategy for concept and overall deployment during the 12th Five Year Plan. When the plan fully materialized at the end of the period, China's patent examination is expected on par with world leading IP offices.

According to the plan, China would conclude 1.85 million

inventions, 3.2 million utility models and 3 million designs during the five-year span. In parallel, the duration of examination for invention would be reduced to 22 months while it would take only 3 months to complete a utility model or design application.

China's customs honored for IPR protection

中国海关总署获全球"反假冒最佳政府机构奖"

hina's General
Administration of Customs
(GAC) received an award
from the Global Anti-Counterfeiting
Group (GACG) in Paris for its
achievements, openness and
transparency in protecting IPR on
June 8. GAC was the only
government organization in the
world won the prize.

According to GACG, from last October to the end of May this

year, customs authorities in China seized 58 million goods in 9227 batches of cargo that violated IPR laws and regulations. The palpable results in IPR enforcement achieved is one of the important factors that GAC garnered the award.

特别值得一提的是,自 2010 年 10 月全国开展打击侵犯知识产权和 制售假冒伪劣商品专项行动以来, 截至今年 5 月底,中国海关共扣留 侵权货物约 9227 批次,侵权商品约 5800 余万件。专项行动取得明显成 效也是中国海关此次获奖的一个重 要因素。 (魏小毛)

China's first International IPR Exchange established in Tianjin

中国首家国际知识产权交易所落户天津

ianjin Binhai International IPR Exchange, the first international and professional IPR trading platform in China, was unveiled in Tianjin on June 11, allowing investors to buy IPR shares and help small and medium-sized enterprises (SMEs) to accelerate the industrialization progress of scientific and technological achievements.

The exchange, as the first of its kind in China, is considered to be a "financial innovation" to attract investors to directly trade IPR shares, absorb capacity from home and abroad fund, complete equity transactions between companies

with IPR shares or conduct trades of financial and derivative products based on IPR.

The IPR exchange, with a total investment of 1.2 million USD, is jointly launched by Northern Technology Exchange Market and Tianjin IPR Service Center which was registered in Binhai district of Tianjin in March this year .

(by Cul Jingsi) 本报讯 6月11日,中国第一家国际化、专业化的知识产权交易所——天津滨海国际知识产权交易所在天津揭牌。该交易所将通过创新知识产权份额化交易模式,推动科技成果快速产业化。

据介绍,这种模式区别于传统的交易平台只是简单充当中间人角色的运作方式,而是通过资本运作购买专利等项目进行包装和孵化,吸引国际和国内风险投资人对知识产权项目的关注,再将购买知识产权所需资金分成若干份,吸纳海内外各类资金,共同投入知识产权的转化和再次开发,加速科技成果转化。

据了解,注册资金达 120 万美元的天津滨海国际知识产权交易所,由北方技术交易市场、天津市知识产权服务中心联合国内外相关投资机构发起组建,2011 年 3 月在天津市滨海新区注册成立。

Dongguan company wins patent case in U.S.

东莞企业在美国赢得专利官司

he Chinese company,
Wisefame International Co.,
Ltd (Wisefame), ended this
four-year legal battle on a
triumphant note to share the patent
right in the U.S. titled "portable
body massage machine" with
America Homedics company
(Homedics) recently.

Wisefame developed an electric massage cushion and filed the patent application of "a structure of massage machine" to SIPO in 2002. After successfully put the technology into production, Wisefame began to coopertate with Homedics untill 2007. Wisefame found Homedics applied for patent application to USPTO in 2004 and obtained the patent of portable body massage machine in October, 2006. Homedics then prevented Wisefame's entry into American market

Market.

After four years' legal battle with expensive legal fees, the United States District Court for Eastern District of Michigan entered a judgement last February, holding Wisefame as the joint patentee. Homedics eventually settled with Wisefame after the trial, permitting Wisefame to access to the

American market.
